- ▶ Patent-pending arm is designed to cover the largest heaped loads.
- ▶ Patent-pending motor engage/disengage lever is designed for quick motor changeover or manual roll crank.
- ▶ Strongest HD arms in the industry; lifetime warranty on arms.
- ▶ Arms are preassembled for quicker installation.
- ▶ Arms sit lower than end caps in open position and are less likely to interfere with buildings and augers.
- ▶ Rear arms prevent cross-wind damage to tarp.
- ▶ Rear flex arm design allows for use with end-dump and mid-dump trailers.
- ▶ Single-piece mounting brackets for quicker installation.
- ▶ Wireless remote is WATERPROOF.
